Subject: Reimbursement rate private car

Date: June 16, 1978

Reference: 947-934.1-PS

Due to the fact that Amoco now have been operating with reimbursement rate NKr. 1.10 for use of private car for at least three years I will suggest that this rate is taken up to new consideration. In this matter seven other companies has been contacted, and their rate as of today are as follows:

Elf	NKr.	1,50	
Statoil	NKr.	1,35	
Phillips	NKr.	1,25	
Brown & Root	NKr.	1,45	
B.P.	NKr.	1,40	
Mobil	NKr.	1,15	(under consideration)
Esso	NKr.	1,15	

My suggestion is that we increase the reimbursement rate per km. from NKr. 1,10/km. to NKr. 1,30/km. as of July 1, 1978.
